Pine Shores Youth

Sunday, May 4th 6:15 p.m. Are you **stressed**? Finals are around the corner! Are you stressed? Life keeps throwing curve balls at you that you hadn't planned on. Are you stressed? Maybe big decisions about your future have to be made now. Are you stressed? Tonight we'll spend a little bit of time identifying our stressors and learning how to deal with them.

SENIOR RECOGNITION NIGHT

May 18th at PSY (6:15 p.m.) is Senior Recognition Night. **Shauna Bispham, Gabby Robinson, Jessica Vitale** and **Sam Wismer** are graduating from High School. If you have a special memory of one or all of them, a word of wisdom to give to them collectively or individually, a picture, or you want to write a letter wishing them well as they end their high school experience and move on to the next chapter of their lives, write them down and give them to Terri Jo Crego. It would be helpful to have your letters, notes or pictures by May 2nd, though you can slip it to us later if you have to.
